## *GIULIANO BEKOR TURNS CANCER INTO ART FOR BREAST CANCER AWARENESS MONTH*

October 10, 2018 | [Calendar](#)

In honor of Breast Cancer Awareness Month, artist and fashion photographer Giuliano Bekor presents TRANSCENDENCE, a collection of fine art photography benefiting the Foundation for Living Beauty and drawing inspiration from their mission to educate, uplift and empower women along their cancer journeys. TRANSCENDENCE is a collection of limited edition, powerful, fine art photography that highlights the courage of female cancer survivors while paying tribute to the body's power to heal, renew and "*transcend*" into a state of harmony and bliss. Bekor will reveal his powerful collection of photography through an exhibit curated in collaboration with Wendy Posner of Posner Fine Arts, open to the public starting October 24, 2018 and housed at the renowned art and design gallery Leclairer Los Angeles. Prior to the official unveiling to the public, TRANSCENDENCE will be privately showcased to a select group of renowned art collectors, celebrity supporters and social influencers with a cocktail party and gala on October 23.

Tickets for the gala can be found with [limited availability](#) at: [www.livingbeauty.org](http://www.livingbeauty.org)
